### **PATRICK WONG** (winner)

We are expecting our third child in September so that will keep us busy, Akiko is now 7 and Haruki is almost 5. Looking forward to the sleepless nights and endless nappy changes again!

Apart from that everything as usual, I still feel incredibly lucky to be allowed to play the violin for a living.

Patrick says " Looking back I can see that this competition was the start of a journey for me that led me to where I am now, and for that I am so grateful to all of you and to Goetz and Jeanell. All the best for this year's competition!"
